Description

When you're picking up the pace, you need to dump heat quickly and efficiently. This men's running t-shirt features Climachill to keep you cool and comfortable. Built in lightweight fabric, it has an engineered front with reflective details down the sides. adidas is committed to creating products in more sustainable ways. This tee is made with recycled polyester to save resources and decrease emissions.

climachill™ is a revolutionary technology. It combines extremely high air permeability and a sensational moisture management in a closed material that acts like a mesh. Cooling aluminum points and titanium fibers increase this effect.

Material 100% polyester
